

Donations Needed!

As of December 31st, 2016, donations received by EYMOW are down by 28% from last year. Further, we have reached only 21% of our fundraising goal.

This is a matter of considerable concern for us. As you know, we have received no increase in our provincial funding for six years, while our costs continue to rise. We have instituted a wide-range of cost control measures and are always looking for new ways to save money. However, when we have exhausted all cost-cutting options, we must rely on the support of our donors to stay afloat.

Sadly, we lost a number of donors this year who were always extremely generous to us. So we are reassured that the decline does not reflect the community's loss of faith in us. Nonetheless, we do have to make up the shortfall, hence this plea to all our readers.

If you are able to offer any level of financial support, it would be much appreciated, put to good use and not a penny will be wasted. If you are able to help, call our office at 416-424-3322 to make arrangements. We accept Visa, Mastercard, debit and email money transfers, or you may send your contribution to:

East York Meals on Wheels
2 Thorncliffe Park Drive Unit 52,
Toronto ON M4H 1H2

Thank you for your consideration.
